Enclosed, please find the money Gracie raised. After she brought her letter to us to send w/ the money, James + I explained that part of BDSRA was to support families while scientists/ doctors worked on a cure.

This has been a life lesson for all of us. God bless you in your efforts; you are in our prayers!

Dear Mr. Johnston,

My sister, my couzin, and I  
decided to do a remanade  
stand and give the money  
to Batten Disease. We raised  
\$19! I'm sure you remember  
me from-

Everyone gave us way

should.
