A year ago now, Cardthartic published design LR329 with the lush Amy Parrish image of gorgeous little Miss C.

We chose the photo not knowing Celia had lost her sight and most motor skills to the little-known but so devastating childhood terminal illness called Batten Disease. Upon learning, we were able to reference BDSRA.org on the card back, and donate 2009 proceeds.

Come Dec 31, 2010, we'll write another check to BDSRA, and you're welcome to help make it a big one. Between now and year-end, please take the opportunity to stock up on all your favorite Cardthartic cards because ~ when you do ~ 20% of your online purchase will help fund promising research into ways to prolong a stricken child's life.

Shipping is free ~ enter Promo Code "Celia" at check-out. We can't do much, but this we can. Thanks for considering.
